### **THE MAJOR'S POINT OF VIEW**

Can you believe we are now in the month of June? Time to get rid of all the clutter we have accumulated since last fall. As we begin to clean up our yards and do our spring cleaning we feel good to see everything looking so much brighter.

Spring has a positive effect on us as we see the new growth of the trees and flowers in our gardens and along the side of the highways. The Word of God says in Ecclesiastes 3:11, "He makes everything beautiful in His time". Just as God shows His greatness and creativity in nature He can do the same with each of us. 1 Corinthians 5:17 says, "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come." God will do great and wonderful things in our lives if we are willing to let Him. He will help us to declutter our lives from all the trash that keeps us from a close relationship with Him. He will create in us a pure and a sincere heart-a heart that is tune with God. Our prayer for you and for ourselves is that we will reflect on the goodness of God over these summer months and be renewed in our spirits. If you do not yet have a personal relationship with God, please consider Him over the coming months and let Him created something beautiful in you.

Something beautiful, Something good; All my confusion He understood.  
All I had to offer Him was brokenness and strife, but He made something beautiful of my life.

**God bless you abundantly!  
Majors Owen and Sharon Rowell**
